Service Plan for David City Public Schools: 2025 - 2026

Staff Development Services (84-002.05A)

Staff Development: Alignment of MTSS to CIP and Strategic Plan. Strengthen MTSS process district-wide. Start with basic vocabulary. Wants Kendra to be part of the process with the Admin team in May. Align MTSS handbook with CIP.

CIP team will be district MTSS team to bring it all together. Set time in 25-26 for MTSS best practices for all staff during meetings this Spring.

ELL- Seeing more combo with EL and SPED. Previously done good work for instructional strategies. A lot of value for more for the entire staff. Thinking about how to dig into ELPA data with possibly admin team first. How to differentiate between language or special education and incorporate into training. Mark, Kendra and Jackie all collaborating on an August inservice date with Brooke Kavan there to support.

Additionally Rule 15 Program Review is support Mark could provide.
