## Schools: 2026 - 2027

### Staff Development Services (84-002.05A)

The Howells-Dodge Annual District Consultation focused on improving literacy and aligning school improvement plans (SIP) with targeted instructional practices (TIP). Kristi Hackett will replace Amy as the school lead, bringing extensive literacy expertise. The team discussed prioritizing literacy over writing, leveraging free science of reading training, and developing a hybrid literacy course. Professional development days were scheduled for September 16, October 21, November 18, January 20, February 17, March 17, April 14, and May 14.

MTSS (Kendra): Secondary is adding WIN time by going through the master schedule. Admin wants to find a good way to determine tiers and what data might be needed to determine what skills will be prioritized during WIN time/early warning system.
