

Service Plan for Leigh Community Schools: 2026 - 2027

Staff Development Services (84-002.05A)

The Leigh Annual District Consultation focused on the school's continuous improvement plan (CIP) for the 2026-2027 school year, emphasizing math proficiency, reading comprehension, fluency, and CTE career readiness. Key initiatives include departmentalization for grades 4-6, implementing MTSS, and using ESU7 support. Specific dates for professional development sessions were set, including Marzano overviews and cognitive coaching. The school will also address EL support, with a focus on using data to set language goals and provide targeted training for teachers.

IPG data for fidelity to standards and and CIP data
